**INDEL B LAUNCHES “KD50 SMART”
THE FIRST BUILT-IN COMPRESSOR DRAWER MINIBAR**

Sant'Agata Feltria, ITALY - With the drawer minibar KD50, Indel B, pioneer and leader in the production of compressor drawer refrigerator solutions in the marine, domestic and automotive sectors, confirms again its ability to combine design and efficiency.

This new drawer concept, gives freedom to the designers to play with it and to the customer to easily access it from above.

Thanks to its “Smart” energy management system, the KD50 complies with European Energy Efficiency Regulation 643/2009.

The new drawer minibar is available with Indel B standard door or customizable wooden door panel.

For more information, visit the Indel B Hospitality page at
